To Whom It May Concern:

On November 12, 2017, Grand Valley State University hosted the Disc Downtown Inaugural Tournament on our Downtown Pew Campus. The event was put on by Disc Downtown and was ran very well. GVSU was the hub of the event and had several holes that went right through our campus. Being a busy downtown campus, Disc Downtown was willing to work with us to make sure the everyday life of our students wasn't interrupted. If we had something that didn't work on our end they were quick to make a change so it worked for all of us. It was a great experience for golfers and our staff that worked with Disc Downtown. We plan to host the event in 2018 and look forward to working with the group again.
